scented night gardens, to be  
savoured in the cool and dark of  
the long middle eastern twilight,  
to the sound of the prayer calls  
echoing through the winding  
streets of Baghdad. These gardens  
were not meant for the eyes. In  
the night, the reddest of reds or  
the subtlest of blues are much the  
same. 'At night, all cats are black'  
goes the saying. Thu, 24 May
